

# Gap Plus Vehicle Replacement Insurance

## What is it?

Gap Plus Vehicle Replacement Insurance fills the gap between your primary auto insurance coverage and what is needed to purchase a new vehicle. Gap Plus goes above and beyond your auto policy should your vehicle be written off or involved in an accident.

## Why you may need it

- You have invested a significant amount of money in the purchase of a new or used vehicle
- You lease or finance your vehicle

## What you need to know

**New vehicle:** provides full replacement cost of your vehicle

- MSRP of new auto policy Coverage up to \$60,000
- Up-to 7 years = 84 months

**Used vehicle:** provides market value replacement cost of your vehicle as of the policy issue date
